

ASICS Fleet Pre-London Half Marathon 16 March 2008

Newsletter Special Issue

Amazon Windows & Conservatories continue with their support to the local community and wish all the runners a successful race, with some PBs being achieved.

For reasons that I do not know, the Half Marathon Web site appears to be unavailable at the moment. I have taken this up with the hosting company as there is no reason why it should not be visible.

Until Easyspace has resolved this issue, I will post any news about the event in the Runners World forum for the ASICS Fleet Pre-London Half Marathon.

The Fleet Half is not full at present. There are no more on-line entries. If you have already entered on-line and received confirmation from Runners World/ActiveEurope then your entry is secure.

Postal entries are still available (as at 20 January). You can download an entry form at <http://213.228.193.51/fcac/misc/EntryForm2008.pdf>

Runners' packs will be sent out from mid-February.

Please note that I am unable to answer any questions related to postal entries. Once the Web site is running again, all questions should be answered in the Race HQ section. Note that due to work pressure, I cannot guarantee a personal reply to e-mails. When running again, the Race HQ section answers 99% of all runners' questions.

Keep training, keep smiling and we look forward to seeing you on 16 March 2008.

Martin Payne

Race Director

Fast Feet Run Round Fleet
